## read it and reap

Just in time to rescue you from impending holiday madness, Alexandra and Eliot Angle, **Los Angeles-based interior designers** and savvy proprietors of catering firm Aqua Vitae, reveal their secrets to hosting successful soirees in ***Cocktail Parties with a Twist***. The new book, shown left, due out this month from Stewart Tabori & Chang (\$30), features tips for maximizing space, laying out a room, and pulling together last-minute floral arrangements.—J.J.

**Random Fact:** Single women are the fastest growing segment of the housing market, buying homes at twice the rate of single men. *Source: Love's*

**CBS' *Everybody Loves Raymond*** We all know

Ray Romano needs down time away from his ever-present parents, and Stickley's 1901-designed Harvey Ellis rocking chair, above and below, provides instant relief. (But don't let your mom and pop get too attached to it—they just might start dropping by unexpectedly too.)

Starting at \$1,381. (315)
